Importance: High

Ex. 6 Personal Privacy (PP) This is what we call a "hair on fire" assignment. We are supposed to have something for the AA by the end of today. Please see the top of page 2. Do you have available updated test data numbers through 2018 for the first two questions? If not how long would it take to come up with those numbers? Please let me know as soon as possible. Thanks.

It's the OECA QLIK application and the monitoring data it identifies has nothing to do with OPPT.
